Planned Giving Scheme and Gift Aid

Thank you for enquiring about our Planned Giving Scheme and Gift Aid

People often choose to support many good causes but their resources can only stretch so far. The need to be able to support the work of the Church is as strong as ever and in this Parish people continue to give very generously to the Church, both towards its resources and in support of the activities which St Nicholas' Church is able to undertake.

There is, however, something which most of us can do to make sure that our contributions provide the maximum benefit, and without it costing anyone a penny more. To make sure that the Church receives that benefit, any donations made under the Gift Aid Scheme will automatically increase the value of the contribution by a very important 25% - that's £250 extra for every £1000 we receive!

Under the Gift Aid Scheme the Government (HMRC) allows St Nicholas' Church to claim an extra 25p for every £1 donated by a UK taxpayer – provided the donation is made under the Gift Aid rules, which most of us can use.

Contributions by Monthly Standing Order

Many people make regular contributions through their bank account by setting up a regular monthly standing order. The facility is straightforward to set up with just a couple of simple forms to complete.

Envelope Scheme Donations

Special envelopes are provided for people to make regular contributions by cash or cheque. You simply place your money in an envelope that carries your unique Gift Aid number and whatever you choose to give automatically qualifies for the extra 25% from the Government.

Pew Envelopes

These can be found in the pews and at the back of the Church and are suitable for single donations or for any ad hoc contributions you might wish to make. The envelope carries a Gift Aid declaration. Any contributions made using this special envelope allows the Church to benefit.

Also if you are a higher rate tax payer you can benefit from tax relief on the value of your donations made under Gift Aid based on the difference between the higher and basic rates of tax.

Please consider making donations by regular monthly standing order. Simply complete the standing order form below and if you are able to make your donations under the Gift Aid Scheme please complete the Gift Aid Declaration below to ensure that the Church benefits from an extra 25p for every £1 you give.

Thank You
