LOOKING FORWARD TO CHRISTMAS

PHILIP HILLMAN
LICENSED LAY READER

On 11 October I was licensed as a Lay Reader for the parishes of Burton & Shotwick at Chester Cathedral by Bishop Mark. This followed two years of part-time study at Emmanuel Theological College and a year of 'foundations' training with Chester Diocese.

Readers (also called Licensed Lay Ministers) have a leadership role, serving alongside clergy, to support people in faith and enable mission. They are lay people who are trained and licensed by their bishop. This is important as we are currently in a vacancy (without an appointed vicar) in Burton & Shotwick, as we seek a new vicar following John Coyne's retirement.

I was impressed how both churches pulled together during the vacancy after our previous vicar, Cathy Helm, left and I am confident that we will all take the opportunity to participate in whatever way we feel able. At this time of change we will also be supported by the generous help of several visiting clergy.

I've lived in Burton for over seven years now. I was born in Heswall and grew up there and in Caldý. In fact in my teens I often used to cycle over from Caldý to visit my friend Christopher Gayford, who lived at Puddington Old Hall. It has been wonderful coming back to my old stomping ground!

As we head towards the Christmas period, I will be looking forward to helping with the Messy Church team and taking part in other services as we look to celebrate Christmas with the younger children and their parents who attend these Christmas events.

It's also a privilege to have the chance to visit Bishop Wilson School as well as St Winefride's Primary School where a group of us from the church act out Bible stories (part of a national scheme called 'Open the Book') in their assemblies once a month. These are great fun – occasionally more panto than formal theatre – we all enjoy performing the stories and the children seem to look forward to it.

I'm really pleased that the new Burton & Puddington Events group (under the auspices of Gladstone Village Hall) has had the chance to help organise a few events since we formed earlier this year – notably the VE day celebrations and the recent burial of the time capsule. We hope to encourage and facilitate more community events which I think are so important now many of us spend so much time online rather than meeting face to face.

I have also been welcomed by the congregation in Shotwick and always appreciate my time there. St Michael's is a very special church, with a wonderful history of continued worship of God. Like St Nicholas', it also has strong connections with those who sailed the then navigable Dee Estuary.

As we head towards the Christmas and New Year Period, I hope you will all have the chance to reflect on the Christmas story and to spend some precious time together with your families and friends. With the world news having been so difficult and troubling in 2025, we should cherish the peace, friendships and sense of community that we are so fortunate to enjoy here.

Best wishes

Philip Hillman

Love,
Loss and
Remembering

St Nicholas' Church and St Michael's Church will each be holding an annual 'Time to Remember' service on Sunday 2 November.

As the Autumn leaves fall and the nights draw in the service is an opportunity for us to think about our love for and the loss of loved ones in times past, and to remember them in a special way.

These services provide a time of quiet reflection. You are also invited to remember loved ones by adding their names to a list that will be read out and there will be an opportunity to light a candle to remember them.

If you would like to have someone remembered there will be a list at the back of each church or contact Alison Carter by email:

Philip Hillman

New Lay Reader for Burton & Shotwick

On Saturday 11 October Philip Hillman, who is a resident of Burton Village, was licensed as a Lay Reader for our two parish churches. The special service for new lay readers and pastoral workers was led by Mark Tanner, the Rt Rev the Lord Bishop of Chester

Philip was supported on the day by many members of St Nicholas' Church and of St Michael's Church congregations as well as by friends, members of his family and by those who have been involved in his training.

At the Cathedral's licensing service Philip was invited to read one of the lessons.

As the parishes currently await the appointment of a new vicar, Philip has agreed to take a number of services each month, not all services. He will not seek to operate as quasi vicar, rather as a licensed minister supporting our two churches alongside visiting clergy who will also be taking some of our services.

The congregations of both churches welcome the opportunity to have Philip lead their services and are grateful to him for his commitment and his ministry amongst our local communities.

Pastoral Care Visiting & Holy Communion at Home

Life events such as baptisms, marriages and funerals will continue to be managed through the church's normal channels by our parish administrator and Churchwardens.

Visiting people throughout the parish who live alone or are housebound, in care or in hospital has always been a mainstay of ministry at St Nicholas' Church. The PCC have made arrangements to ensure that people's pastoral care visits and Holy Communion at home needs are managed properly and sensitively.

Pastoral Care and Holy Communion at home will both be coordinated by John Church and his contact details are: 0151 336 2228 or 07703199132 or via email at john_sue44@hotmail.co.uk.

Please don't assume that someone else has alerted John about someone who needs to be visited as it is important to respond to any requests on a timely basis.

And, if you visit someone as a friend and wish to have these visits coordinated, please contact John.

Holy Communion at Home

In preparation for the vacancy three Eucharistic ministers were approved by John Coyne and endorsed by the Bishop of Birkenhead, Julie Conalty. They are: Anne Parsons, Tony Carter and John Church and they will be supported by Lay Readers John Morris-Best and Philip Hillman. Collectively they will deliver Holy Communion at home using bread and wine that will have been consecrated by an ordained minister at a Holy Communion Service following the appropriate liturgy.

Bereavement & End of Life Visiting

Local ordained clergy will normally be asked to assist under these circumstances and, if necessary, further assistance will be sought from the Rural Dean.

Rhos Male Voice Choir Charity Concert

The charity concert on 11 October sold 119 tickets with income of £2,380. Everybody, including the organisers and helpers, paid for their tickets.

The male voice choir, who incur significant overheads in performing these concerts, reduced their fee

for this event to £800 and the musicians (oboe and accompanist) did not charge. The hire of additional toilets (£180) and refreshments (£234) brought the total cost of staging the event to £1,214 resulting in a profit on the night of £1,166 which will be shared equally between St Nicholas' Church and Wirral Foodbank - £583 each.

The event was very much enjoyed by all and only made possible by the group of organisers and helpers who all played a part in ensuring that the evening was successful.

The event was sold out and many people commented on the fact that it was so nice to see the church full of people for what was truly a community event. Many thanks to all those who supported the charity evening.

Nigel Griffiths' Charity Walk

On 3 October, Nigel reached Inverness on the last leg of his 900 mile walk this year.

Nigel's charity walk is a venture to raise much needed funds for those who, through, no fault of their own, are forced to rely on foodbanks.

This leg took Nigel through miles of Culloden Forest: "a huge and very well managed woodland, which made for pleasurable walking. The Battle of Culloden was a bloodbath end to the 1745 Jacobite Rebellion, but no evidence of that horror was present in today's calm woodland, I am glad to say."

"I re-start northwards from Inverness next April. Have a good Winter. Thank you all for your much-appreciated huge upport and interest in this challenging fund-raising venture"

If you would like to support Nigel in his quest to draw attention to the work undertaken by foodbanks up and down the country, search via Google or Instagram for 3deg.west and you will find full details.

Thank You!

So many people who have attended a church service or a fund-raising event or simply visited the church recently have commented on the magnificent Autumn decorations of flowers and fruit, Thank you to the principal organiser and her small band of helpers for putting on a such a super and enjoyable display.

Harvest With Bishop Sam

5 October, the Church bedecked in earthly gifts of gorgeous gourds and elegant gladioli, sunflowers and stem roses. Tables dressed with wine, cheese, biscuits, fruit and cake.

Adding to this bounty, there was a large congregation and the entrance of Bishop Sam Corley on his first visit to St Michael's ... hopefully not his last!

The Bishop had barely walked through the door when it was suggested he preach from the Triple Decker pulpit ... he was somewhat taken aback as to how to respond!

He did ascend the steps for a photo opportunity but preferred to conduct the reverential service from the regular lectern, accompanied by the skilful organ playing of Nigel James.

Bishop Sam, though, had his own surprise for us as he approached the bell tower and began to demonstrate his skill of campanology!

He also had a passion for our tiny kitchen area and insisted on washing his teacup!

A very special couple of hours were had by all. A massive thank you to each and every one who made it such a joyous event!

Rosemary Taylor, Churchwarden

Heritage Open Day

Fortunately the dreary, wet weather did not deter people from coming to St Michael's Heritage Open Day on Saturday 20 September.

Over 40 visitors of varying ages enjoyed a range of activities - demonstrations of bell ringing with the opportunity to have a go under supervision, climbing the church tower, guided walks round the village (nobly led by Jenny in the rain) and, thanks to June, learning about how to play the organ.

We had some very appreciative comments about the refreshments including "fabulous food" and "superb cakes" and also about the day in general.

Two friends who came wrote "This is one of the best open days we have

ever been to. Thank you to everyone who has worked hard to make this so interesting."

My thanks also to all the helpers who contributed so much to make the day so enjoyable and rewarding.

"The joy of the Lord is your strength" Nehemiah 8:10

As we move into the new academic year, there's a real sense of excitement and fresh beginnings around Bishop Wilson. September always brings new faces, new classrooms and renewed enthusiasm for learning and this year is no exception!

I am delighted to introduce myself as the new Head of School. Having been part of the Bishop Wilson family for the past seven years, I am incredibly proud to lead our wonderful school community into this next chapter. The warmth, kindness and commitment of our staff, children and families make this a truly special place to be, and I am so looking forward to all that lies ahead.

We have also welcomed two fantastic new teachers to our team: Mr Morris, who has joined Year 3 & 4, & Miss Ryder, who is leading our Reception class. In addition, the wonderful Mrs Denye has completed her training and now joins us as a Teaching Assistant. We are thrilled to have them all on board.

A huge transformation has also taken place in our Forest School area. With clear pathways, wooden benches and a new campfire space for marshmallow toasting and storytelling, it's fast becoming a favourite learning environment for everyone.

We're excited to launch *Culture Crew* at Bishop Wilson! This pupil-led group will help our school community explore important themes of citizenship, social justice and courageous advocacy. Stay tuned to see how we can make a positive difference in our school, local community and the wider world.

Finally, we still have spaces available for Reception 2026 and some other year groups for in-year transfers. Please spread the word or come and visit us to see what makes Bishop Wilson so special.

Best wishes from Mr Orford and The Bishop Wilson Crew.

A Nip In The Air

The *Buddleia Davidii* (white) have been pruned by one-third, the remainder to have a thorough prune in late February.

Alec's Red has just ceased flowering as has Mrs Tottering-by-Gently.

Sweet pea seeds, Nimbus, Robert Uvedale and Swan Lake were purchased. Seeds from Misty Mountain were harvested. Some seeds from the agapanthus have been collected.

There are some berries on the holly so, hopefully, the birds will spare a few for my Christmas decorations.

The dahlias in the large pot will be cut back and the tubers left in situ. The pot will then be covered with fleece and, hopefully, will survive the winter.

Mini iris, tulips and daffodils have been planted in various tubs and pots.

The lovely rose, Cardinal Richelieu was growing into Harry Lauder (twisted hazel) so both have been cut back into their own space.

Buds are already forming on the camellias and they are watered with cold tea left over from the teapot.

The hydrangeas are donning their winter hues; the lacecaps are still showing their pale colours.

The feathered friends are again regular visitors, namely nuthatch, blue/great tits, greater spotted woodpecker, blackbirds and Robbie Robin. An unwelcome visitor was a sparrowhawk perched on the edge of the roof! A wonderful sound at this time of year comes from the large numbers of geese flying overhead.

It's October at the Foodbank. St Nicholas' Church has just hosted a charity concert by the Rhos Male Voice Choir. The Foodbank's general manager (a Welshman) came along and loved the singing. Thank you for benefitting the Foodbank as well as the Church with this event. It's much appreciated.

Thanks to the generosity of people like you, the Foodbank has been able to provide emergency food and support to thousands of local individuals and families facing crisis across Wirral. Sadly, demand continues, with people walking through our doors in desperate need — many for the very first time. In the last twelve months the Foodbank has provided emergency food parcels for 14,185 people. Nearly 40% of all parcels are for families. There is some encouragement that this figure is slightly down on last year, although demand continues to be high.

Rising living costs, unstable incomes, and unexpected emergencies have left many people with nowhere else to turn. We continue to need your help to ensure no one in our community goes hungry. With your support, we can continue to provide:

Emergency food parcels – meeting the immediate needs of individuals and families. Unfortunately, demand exceeds food donations, consequently, we are having to buy more food. Last year we spent just over £60,000 on buying food items.

Support through Foodbank Plus (delivered on our behalf by Citizens Advice Wirral) addressing the root cause of food insecurity. In the last twelve months Foodbank Plus has supported 2,628 people, who were helped with 4,528 issues. It delivered more than £1,000,000 of financial gains to these people, including debt write off, benefit entitlements and other support.

Thank you again for your care and support for your neighbours in Wirral and West Cheshire.

Past highlights

Apart from all our regular waders, ducks, geese and egrets, throughout the past summer there have been some spectacular highlights. Hobby has been seen frequently hunting dragonflies. The Bittern has frequently provided good sightings from the visitor centre. A Glossy Ibis visited the reserve on two occasions during September and four were photographed at Parkgate early October.

Glossy Ibis (John Hewitt)

Other notable sightings have been Willow Tit, first seen in August. The timid bird likes damp, young and regenerating woodland. Its recent decline makes it a Red List species and one we are most pleased to have sighted.

Willow Tit (Dean Davis)

Another exciting discovery was of a Willow Emerald Damselfly which was seen frequently near the wildlife garden pond throughout late summer. This is a new species for the reserve and the first recorded in the area.

What to expect this autumn and winter

Autumn brings a host of winter migrant waders to the scrapes of RSPB Burton Mere Wetlands and the Dee Estuary. Pink-footed Geese have already arrived

in large numbers and will be seen flying over the estuary in their famous V formations as they return to the saltmarsh to roost.

We have seen the first **Hen Harriers** of the season from Burton Point over the saltmarsh, and we await the return of **Short-eared Owls**. Our wintering duck species, particularly **Wigeon**, **Pintail** and **Teal** are now coming in large numbers, and the eagle-eyed birdwatcher will be looking for a **Green-winged Teal** amongst the flock.

We have also had the first sighting of a **Whooper Swan** and hope to see **Bewick Swans** soon. November is also the month when many **Starlings** gather and fly to roost in the reedbed, often harassed by our resident **Marsh Harriers**.
